Dear Valued Community Member:

Redimix Companies is proud to support local groups and non-profit organizations with in-kind product donations and other means of promotional support. If your group is interested in having Redimix as a donation partner, we ask that you review the information on this webpage before submitting a request.

Who We Donate To

In order to best serve our community, we partner only with local groups and organizations based in our surrounding neighborhoods in New Hampshire, Vermont, and Maine. We believe that our resources will make a larger impact on a smaller, local scale.

We prioritize requests from organizations to which we have strong community ties, including education and programs for children.

We do not donate to individuals seeking pledges, from large national non-profits or political parties.

How To Submit A Request

- 1) Complete the request form, along with a W-9 tax ID form
- 2) At least 30 days prior to your event, email the request to sales@redimixcompanies.com
- 3) Your request will be reviewed by our Donations Committee and you will receive a response within two weeks

If you have any questions, please contact 800-998-4434

Thank you.

DONATION REQUEST FORM

Please make your request at least thirty days in advance of when you need the donation.
Please return this completed form to sales@redimixcompanies.com for consideration.
